Re: Public Records Request PR-2019-00123

Dear Mr. Neidenbach:

The Office of Public Records and Open Public Meetings finds it necessary to extend the response date to your public records request to February 4, 2020. This extension is allowed by RCW 42.56.520 of the Public Records Act of Washington State. The extension is needed to locate, review or assemble documents or to notify third parties affected by your request.

However, this office is pleased to inform you that we will make some records available to you on a rolling production basis to avoid unnecessary delay.

Please let us know if you have any questions.

Sincerely,

Morice Martinez  
Compliance Analyst
